- Republic of Croatia –
Ministry of Culture
- Central European Bank

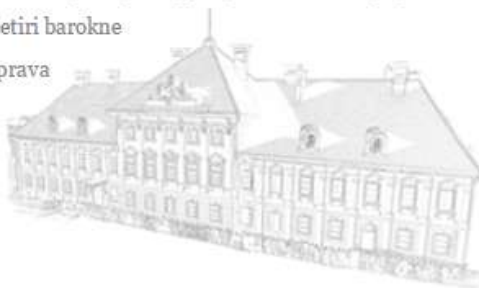

PROJEKT ILOK

Povijesna jezgra grada Iloka zahtijevala je provedbu zaštite kulturnih i prirodnih vrijednosti te arhitektonske spomeničke cjeline visoke ambijentalne i krajobrazne vrijednosti, uz obnavljanje povijesne matrice Iloka, planiranje unošenja novih sadržaja u taj prostor te određivanje namjene i uređenja prostora u suglasju s njezinim izrazito visokim povijesnim vrijednostima. Krajobrazna, prostorna i povijesna analiza parkovnih površina i njihova prezentacija sastavnim je dijelom ovoga Projekta. Istraživanja i povijesno-arhivska proučavanja...

PROJEKT OBNOVE KOMPLEKSA DVORCA ELTZ

Vlastelinski sklop obitelji Eltz u Vukovaru jedna je od najmonumentalnijih feudalnih arhitektonskih cjelina u Slavoniji. Objedinjuje zgradu Dvora koja je služila kao rezidencija grofovske obitelji, četiri barokne kurije u kojima je bila smještena uprava velikoga feudalnog imanja, gospodarske zgrade sjeverozapadno od dvora, kapelu sv. Roka te Oranžeriju u Perivoju koji se od dvora pružao...

PROJEKT BAROKNA JEZGRA GRADA VUKOVARA

Povijesna je jezgra Vukovara, uništena ratnim razaranjima dodatno je oštećena u poratnim godinama do mirne reintegracije Hrvatskoga podunavlja 1997. godine. Odmah nakon reintegracije započele su pripreme za obnovu razrušenoga grada, čija je jezgra uvrštena na popis sto najugroženijih spomeničkih lokaliteta na svijetu međunarodnoga fonda World...

PROJEKT VUČEDOL

Arheološki lokalitet Vučedol nalazi se na desnoj obali Dunava, 4 km nizvodno od Vukovara na mjestu gdje je povremeni vodotok u lesnom grebenu visokom 25 metara usjekao usku strmu kotlinu (lokalni naziv 'surduk') na putu prema rijeci. Arheološki lokalitet se nalazi na obje strane uz procjep prema Dunavu. Na lijevoj strani je smješten Vinograd Karasović, a desno veliki kompleks kojeg zatvaraju Vinograd Streim, Kukuruzište Streim i umjetno odvojeni mali plato znan...

Muzej vučedolske kulture, 21. ožujka 2016. u 19.00 sati

Museum exhibitions

A collage of various historical and scientific illustrations surrounding a central purple circle. The central circle contains the text "BERTUCHOVO" in white, "SLIKOVNO" in black, and "CARSTVO" in large black letters. The illustrations include a giraffe, a person with a large conical hat, a red bird, a man in a blue robe, a fish, a butterfly, a dragonfly, a goat, a knight on horseback, a coral-like structure, a lemon, a sailing ship, a deer, a spider, a fly, and a person with a long staff.
